

## **E-learning Resources/Platforms Available to the Polytechnic Students**

The class activities in the polytechnics are closed in view of prevailing situation in the state due to outbreak of Novel Corona Virus (Covid-19). The students are advised to stay at their homes safe and follow the instructions issued by the Government from time to time. This will be a great service to the people and our country. Further students should make themselves aware by accessing the link <https://www.mohfw.gov.in/awareness.html> and follow preventive measures.

While stay at home the students should keep learning themselves by using the online learning platforms. The various platforms/resources available to the students are enlisted as under.

- The digital links of e-contents, e-text books, lecture notes and videos for diploma subjects, labs including first year are available on the [hsbte.org.in](http://hsbte.org.in) portal under digital learning menu bar. These are also available on digital link at [https://drive.google.com/file/d/1g9Swd4EHyj10b3jky8H\\_zpHcJiNzdg05/view](https://drive.google.com/file/d/1g9Swd4EHyj10b3jky8H_zpHcJiNzdg05/view)
- The polytechnics are also updating e-contents at their web portal by adding e-notes/digital links for the remaining syllabus of the current academic session. The students may access these e-contents at their institute web site. They may also contact the subject teachers telephonically or through social medias such as whatapps , facebook etc. for clarity/doubt of the topic. The domain names of the of the government polytechnics is enclosed for information of students.
- The students can access learning material by registering themselves on NEAT scheme of AICTE . At present learnengg is offering all its e-contents ,3D/2D visual content courses on under NEAT scheme free of cost to all. Link for registration is <https://neat.aicte-india.org/course>.

➤ The students can also access the related e-material on various portal links given below, launched under digital initiatives of Government of India.

- I. NPTEL ( <https://nptel.ac.in/>)
