I am glad to know that the Haryana State Technical Education Society is publishing an Admission Brochure for various courses in the Technical Education Institutions of Haryana for the academic session 2022-23.

For socio-economic development of the state and for creating technical manpower, Haryana Government has taken a number of policy initiatives for promotion of technical education in the state and special thrust is being laid to provide job-oriented education to the youth.

The network of the Technical Education Institutions has been expanded by setting up new institutes and intake in the existing institutions has also been increased. To make technical education more meaningful, the department is continuously upgrading and updating courses and curriculum to cater to the need and requirement of the industry. Efforts have been made to equip technical education institutions with smart classes, lab & workshop facility for the training of students as per global standards. More than 300 MOUs have been signed with the industries for placements, training, industrial visits and expert lectures. Placement cells have been constituted in government and government aided polytechnics to carry out the placement drives/job fairs for providing more employability options to the students. To enhance further, Centers of Excellence have been set up to bridge the gap between industry and academia.

To further promote the spirit of "Beti Bachao Beti Padhao" 25 percent seats have been reserved for girls in all technical institutions of the state. Besides this, no tuition fee is being charged from girl students admitted in government and government aided polytechnics.

Emphasis has been laid on imparting technical skills to the students so that they not only have the qualities of entrepreneurship, but also a whole host of new doors of livelihood get opened for them within the country and abroad.

I hope the aspirant will find this brochure useful, which includes all relevant information regarding admissions, fee and various scholarship schemes of the government for the academic session 2022-23.

Subject: "Bonafide residents of Haryana - Guidelines regarding".

I am directed to invite your attention to Haryana Govt. letters noted in the margin on the subject noted above vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of Domicile for the purpose of admission to educational institution (including technical/medical institution). The matter has been reconsidered in the light of judgment delivered by the Hon'ble Supreme Court of India in the case of Dr. Pradeep Jain vs. Union of India and others reported as AIR 1984- SC-1421, wherein it has been held that instead of the word 'Domicile' the word 'Resident' be used in the instructions issued by the State Government and it has been decided to revise the Government instructions. Henceforth, the following categories of persons would be eligible for the grant of Resident Certificate: -

- i) Candidates, who have passed the examination qualifying there for selection in an institution from a school/college in Haryana.
- ii) Children / Wards (if parents are not living) / Dependents: -

Resident Certificates in respect of elsewhere or in respect of the Children/Wards/Dependents of Haryana Govt. employees who are posted at Chandigarh, Delhi or elsewhere or in respect of Children /Wards/ Dependents of pensioners of Haryana Govt. or in respect of the Children/Wards/ Department of the employees of the Government of India posted at Chandigarh or in Haryana in connection with the affairs of Haryana Government, or in respect of Children/Wards/Dependents of the employees and retirees of the Statutory Bodies/Corporations of Haryana established by or under an Act of the State of Haryana or a Central Act and located at Chandigarh, Haryana or outside Haryana, should be by their respective Heads of Departments.
